

## United Kingdom Innovator Founder Program

The UK is an attractive destination for business and private residence. Its capital London has the highest GDP of any city in Europe and houses corporate headquarters of numerous multinational corporations, financial institutions, professional firms, and major organizations. The Innovator Founder Visa is aimed at those who can demonstrate relevant experience in business and requires individuals to set up a new, scaling business in the UK.

Population:	68 million
Language:	English
Economy:	Leading trading and financial center, third largest in Europe
Currency:	British pound

### Program overview

- Innovative, scaling business creation
- Processing time of one–eight weeks from submission of the application to approval
- The right to live, work, and study anywhere in the United Kingdom

### Key benefits

Residence permits acquired within three weeks

Permanent residence possible after three years

International business environment

Attractive tax regime for individuals who are resident but not domiciled

Direct international flight connections to most major global cities

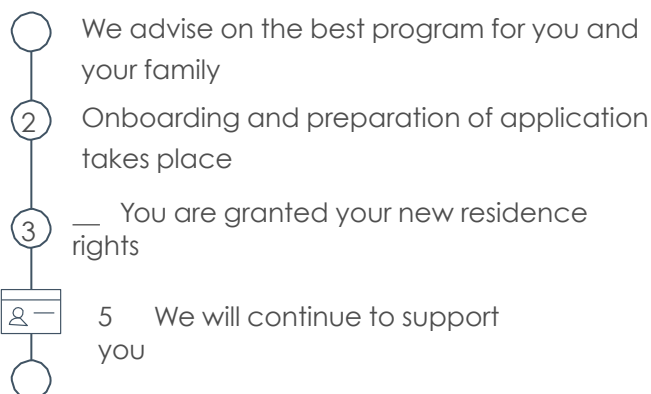

World-renowned schools and universities

## Procedures

The completed application and supporting documentation must be submitted to the diplomatic post in the applicant's country of residence. The business idea needs to be assessed by an approved endorsing body before the immigration application is submitted to the Home Office. The initial visa is valid for three years. Upon expiry, the applicant may apply for 'extension of stay' from within the UK, or for indefinite leave to remain if all criteria are met. After five years of continuous lawful residence, the applicant may apply for British citizenship. Business owners may seek secondary employment in the country, provided it falls under skilled labor.

## Main applicant requirements

Applicants must:

- 1 Be at least 18 years of age
- 2 Have a new and viable business idea with a potential for growth, supported by an endorsement letter from an approved endorsing body
- 3 Demonstrate sufficient investment funds to set up and grow their business
- 4 Be the sole or an instrumental member of the business's founding team
- 5 Have the ability to speak English according to CEFR intermediate Level B2

The new business must meet the following three criteria:

- 1  **Innovation:** An original, genuine business plan that meets new or existing market needs and/or creates a competitive advantage
- 2  **Viability:** A realistic and achievable business plan, based on the available resources. Applicants must have, or be actively developing, the necessary skills, knowledge, experience, and market awareness to successfully run their business
- 3  **Scalability:** Evidence of structured planning and potential for job creation and growth into national and international markets
